

MAKUTA
TARANGA

THE FINEST FORM OF LUXURY

What Is *Real Luxury?*

Real luxury isn't about labels. It isn't always gold or marble.

"Luxury is a Feeling"

The quiet that settles in after a long day.

The comfort of a space that feels truly yours.

The ease of being without noise or interruption.

*That moment - That emotion -
is luxury.*

AT MAKUTA

*We believe true luxury is the feeling of being completely
undisturbed. And every home we build begins there - with a
sense of control you carry, every single day.*

Soul of Makuta Taranga

*When we began designing
Makuta Taranga, we asked: what
if a home could do more than just
hold space?*

*“- what if it could hold how
you feel at the end of a long day?*

*So we removed what didn't matter.
Added what did.*

Designing *Spaces*

where memories are made.

*The noise ends here.
The view doesn't.*

Privacy *Foyers*

“Your space. Unseen. Undisturbed”

Because home shouldn't feel like an extension of a corridor. No passing footsteps outside your door. No unexpected glances. No need to be aware, alert, or on guard

Glass Walls

“The wall fades. The sky stays.”

*Because your home shouldn't feel closed
in. No dim corners. No heavy walls
holding the day back.*

Sit outs

“Soft skies. Slow time. just you.”

*Because not every moment at home
Should feel indoors. No screens
asking for your attention. No
rush, no noise, no urgency.*

Corner Homes

“One corner. All yours.”

*Because sharing walls shouldn't mean
sharing your peace. No constant sounds
from the other side. No feeling
of being surrounded.*

10-Ft *Ceiling Height*

*“A little more height. A lot
more pride.”*

*Because your home shouldn't like
it's closing in on you. No low ceilings
No sence of being boxed in.*

Temple *Land scape*

*“Where your days gently comes
back to stillness.”*

*Because not everything needs to
move fast. No urgency. No
constant distractions.*

Infinity Pool

“A lake. A sky. And you.”

*Because sometimes, you just need to step
away from everything. No crowd. No noise.
No sense of being watched or rushed.*

Club Taranga

*“30,000 sq. ft. of space ---quietly
shared by 248 homes.”*

*Because Comfort feels different
when it isn't crowded. No waiting.
No rush. No compromise.*
